

- **Name:** Hee Jun Kim
- **Current Position & Affiliation:** Associate Professor of Hematologic Oncology, Chung-Ang University Hospital
- **Country:** Korea

• Educational Background:

Dates	Degree and Name of Institution
2004	B.S., Chung-Ang University Medical College
2011	M.S., Molecular Oncology Molecular Oncology at Seoul National University School of Medicine
2014	Ph.D, Molecular Oncology at Seoul National University School of Medicine

• Professional Experience:

Dates	Position and Name of Institution
2004-2005	Internship, Seoul National University Hospital
2005-2009	Residency training, , Dept. of Internal Medicine, Seoul National University Hospital
2009-2011	Clinical Fellowship, Division of Hemato-oncology, Dept. of Internal Medicine, Seoul National University Hospital.
2011-Present	Assistant Professor of Division of Hematology/Medical Oncology , Department of Internal Medicine, Chung-Ang University Hospital
2020-2021	UCSF cancer center Research Fellow

• Professional Organizations:

• Main Scientific Publications:

Palbociclib plus endocrine therapy versus capecitabine in premenopausal women with hormone receptor-positive, HER2-negative metastatic breast cancer (Young-PEARL): overall survival analysis of a randomised, open-label, phase 2 study
